## Support to help you become a non-smoker

I offer an approach designed to leave you free of the desire to smoke that also tackles the unconscious aspects of an unwanted habit. As a certified, registered clinical hypnotherapist, mindfulness instructor and a qualified Stop Smoking Hypnosis Practitioner, I will work with you to provide you with highly focused techniques, personalised to your wishes and needs, to empower you to become a non-smoker or stop vaping, and move forward into your habit free life.

# About

## **Break free from a habit that robs you**

You will have your own reasons to be reading this and thinking about, or being ready to stop smoking or vaping. Imagine what would be in your life if you were free from smoking or vaping?

Maybe you have tried willpower, gum or patches in the past. Perhaps you stopped smoking or vaping for a time, but now you find yourself back in that habit that you really don't want.

If you have reached that point in your life when it's time to act and live your life free from your habit, then the Smoking/Vaping Cessation Programme could be just the way to help you quit now.

Hypnotherapy can help you stop smoking or vaping in a whole different way to free yourself from the habit that's stealing time, health and money from you.
